

## Red Deer & Area VBS 2019

Summer is coming and while that means backyard fun and lazy days in the sun for many folks, there are others already scratching their heads about childcare or just wondering about their child's constructive use of time. Young people need opportunities—outside of school—to learn and develop new skills and interests with other youth and adults. Summer is a great time to develop the \*asset of **constructive use of time** whether that is with *creative activities, youth programs, religious community, or time at home*. We're here to help, so if you're looking to  check off a few of these assets this summer we've developed a list of VBS (Vacation Bible Schools) we've discovered in Red Deer & area. Click links for registration forms, registration dates and contact information.
