

# CENTRAL ALBERTA 2021 DAY CAMPS

We know that many parents have been juggling their childcare needs this year with limited options, so we wanted to highlight some of our amazing community groups planning to offer on-site day camps this summer. Childcare programs aren't just about providing supervision for your kids. From grandparents to rec centres, childcare & youth programs are also about developing relationships, skills, interests and our sense of community. Space is quite limited, so register ASAP!
