Students who place in top spots at the regional competition will be able to continue onto the 29th Provincial Skills Canada Competition hosted virtually on April 14-23.

“Skills competitions are an excellent way for students to share their gifts, support their future goals and showcase the many hours of work students have dedicated to their craft. Thank you to Skills Canada for their ongoing support of careers and trades,” said Principal Graeme Daniel at St. Joseph High School

“We are very excited that our students are able to compete virtually in the Skills competition this year. This event is always a culminating experience for our students as they highlight their talents and the skills that have been further enhanced through their Career and Technology Studies (CTS) classes,” said Principal Rose McQuay at École Secondaire Notre Dame High School.
