New Blackfalds School and Space Accommodations:

The Associate Superintendent of System Services presented the Board of Trustees with a recommendation for the temporary relocation of middle school students from St. Gregory the Great Catholic School in Blackfalds to St. Lorenzo Ruiz Middle School in Red Deer. The Associate Superintendent informed Trustees that approximately 300 people who could be impacted by a middle school move were in attendance at an open house held at St. Lorenzo Ruiz Middle School (SLR) on February 7, 2024. Families were given an opportunity to tour the school, ask questions about the programming and provide their feedback on all of the options presented. A summary of the data was reviewed by Trustees.

Trustees approved the recommendation brought forward by the Senior Administration team to move St. Gregory the Great Catholic School students enrolled in grades 7, 8 and 9 in September 2024 to St. Lorenzo Ruiz Middle School beginning September 2024 until the new Blackfalds school is ready for occupancy.

Rocky Mountain House Calendar:

The Associate Superintendent of System Services recommended a revision to the 2024-2025 Rocky Mountain House calendar as a result of the number of discrepant days created after the creation of the Wildrose School Division calendar. Trustees approved the revision and recommended that going forward, RDCRS approve the Rocky Mountain House calendar in draft until the Wildrose School Division calendar is approved to assist with planning purposes of staff and parents.
